

# Grace Daily Readings

Dear friends,

This month almost singularly focuses on Lent. The readings have a decidedly somber, reflective tone, in keeping with the mood and themes on the Lenten journey. Self-examination, prayer, quiet piety all are dominant parts of a Lenten practice. This month as you read, take time to really think about how the readings challenge you to self-examination. Where do changes need to be made in my life so I can better reflect Jesus to those around me?
